“As the truth is in Jesus” (Ephesians 4:21)

For The LORD’S PILGRIMS, STRANGERS & SOJOURNERS

by

## *Shall I be Remembered of the Lord Even Though I Remember Him Not?*

*An observation of God’s people who may suffer from Alzheimer’s*

*To whom the Lord our God decreed to save throughout all eternity, shall never be abandoned nor forsaken even though our mind may forget thee.*

*Sad to see a mother, father, brother or sister fall into the state where the mind shall not remember me, to observe a blank stare when entering their room as one they never knew, we have that blessed hope that our God shall always remember thee.*

*With sweet promises that nothing shall separate us from the love of our sovereign head, saviour, redeemer, and friend, we rest in that promise even if we shall be afflicted to such degree that I would not remember thee.*

*Oh! Lord most high, though my mind may forget thy Holy Writ, it remains ever settled in heaven and all thy promises thou will not forget. Knowing that thy mercies endureth forever, even when our minds may draw a solemn blank, thou hast chose to save the sinner that is found written in the Lamb’s book of life.*

*Dearest saviour send thy angel to accompany thy afflicted saints, when memory takes it flight and recall be gone from mind, thou shalt remember those of whom the Father had chosen in time to be thine.*

*So, don’t despair my beloved brother, sister and friend; our Lord shall never fail to be with his own all the way to the end.*
