## *The Islamic nations, Israel and Judeo-Christianity in the light of the Bible*

*Islam, a threat to historical American society per the Constitution*

*Unbeknown to the majority of the population of the world, including the United States, the God of the Holy Scriptures had declared that there would NEVER be harmony and peace between the Islamic nations and the nation of Israel which includes the Christian believers of the new covenant/ New Testament of the Holy Bible, which reveals the coming Messiah, Jesus Christ the God/ man, “the image of the invisible God” and the “fullness of the Godhead bodily”(Colossians 1:15, 2:9).*

*The scriptures reveal the Father of BOTH the Islamic people and Israel as being Abraham from Babylonia near the area where the Euphrates and the Tigris rivers meet in the region of ancient Assyria. Today that region of historic Assyria and media is Iraq and Iran...Interesting.... Abraham was from this southern most region and was called a Chaldean. The calling of Abraham by God was before there was a people labeled as “Arabs” for the land recognized as Arabia was not determined as a country at that time.*

*The following scriptural references give the account of God’s calling of Abram (Abraham) and the offspring of Abraham that were “half” brothers making up the Muslim nations and the people of ISRAEL, the Jews.*

*The Bible records as follows:*

*“Now the Lord had said unto Abram, get thee out of thy country, and from thy kindred, and from thy father’s house, unto a land that I will shew thee: and I will make of thee a great nation, and I will bless thee, and make thy name great; and thou shalt be a blessing: And I will bless them that bless thee, and curse them that curseth thee: and in the shall all families of the earth be blessed” ( Genesis 12:1-3).*

*As the scriptures record, Abraham's wife Sarah was unable to bare him children (Gen. 16:1-4) an a handmaiden Hagar was chosen by Sarah to bare Abraham a child. The child born of Hagar was named "Ishmael." God told Abraham that Ishmael's seed would be greatly multiplied (Gen 16:10). Ishmael is the FATHER of the Arab world. From his seed come all the clans of the Arab people (Today this includes the people of Iraq, Iran, Turkey, Syria, Saudi Arabia, Afghanistan).*

*Now pay particular attention to the following decree of God through an angel; to Sarah. "and he (Ishmael) will be a "wild man" and his hand will be against EVERY man, and every man's hand against him: and he shall dwell in the presence of his brethren" (Gen. 16:12). Ishmael shall be an "irrational, wild man" and that shall be the demeanor of the blood line of Ishmael's seed and they shall always strive with their brethren (an half brethren especially Israel).*

*Now Sarah was informed that she would bare a child of which she could not believe because of her old age. She expressed; "God had made her laugh to conceive at old age". But she did conceive and bare Isaac her son of Abraham's seed. Now Ishmael and Isaac are "half brothers" same father, but different mothers.*

*God had made a covenant with Abraham and his seed through the male descendants of Abraham. Isaac and Jacob and all the tribes of Israel that would follow. God had told Abraham that "in Isaac shall thy seed be called and God shall establish an everlasting covenant and with his seed after him" (Gen.17:19, 21-12).*

*Through Abraham's son, Jacob, came the covenant promises of a blessed and chosen nation which in time was called "ISRAEL" (Gen. 32:28).*

*Israel shall be the nation's name that God has chosen for his people (Exodus 6:7-8). Not because they were the greatest in number, but because God sovereignly loved them by divine choice (Deuteronomy 4:37). God determined the twelve tribes to be established in Israel, and Kings to rule within the kingdom of Israel over time as Biblical history records. In all of the history of the holy scriptures, the Arab world of Assyria, Babylon and all the nations of Ishmael's seed have fought and captured God's people Israel in the centuries past, but God, according to his divine predestined promise, has always freed his chosen people Israel from the Assyrian, Babylonian captivity and divinely blessed them.*

*It should be noted, that God, being the God of righteousness and judgment, chastened and judged Israel numerous times for rebellion and evil actions. Yet, God disciplined his people, Israel, because he LOVED them.*

*Islam, as a religion, was founded among the Arab nations and its prophet Mohammad was recognized in the Muslim Koran (their Holy book)as the great hero and valiant warrior among the Arab people, even as successor to the Lord Jesus Christ of the Holy Bible.*

*In so doing it set the stage for the establishment of the fact that the Arab/Islamic world WILL NEVER be at peace with Israel and her allies. The Koran's recognition of Allah as the name of the Islamic God rejects the deity of Jehovah God of the Judeo-Christian scriptures, the Bible. Islam recognizes Jesus as a great prophet, although rejecting his deity and redemptive sacrifice for the sins of his people (Christian believers).*

*The Koran identifies those that reject Islam and are of the non-Islamic persuasion as "INFIDELS" and enemies to the Islamic cause. The geographical nations of the Islamic people, express variations in their interpretation of the Koran. While some are moderate in their practice (Turkey, Syria) others are quite extreme in making the Koran LAWS very stringent and binding upon the countries citizens. Within these Islamic nations there are factions which are also different in their practice of Islam. Such as the Sunni, Shiite, and Kurd groups of Islamic people. The Shiite being the most extreme fundamental faction are not willing to adapt to Westernization and liberality in their practice. This faction is what primarily Iran is ruled by. Whereas, the former dictator of Iraq was a Sunni and under his dictatorship the country was under Sunni rule.*

*As we see daily, on Worldwide Television, there is NO PEACE between the factions of Islamic in the Arab world. There is without question a civil war in progress in Iraq with the "INFIDELS" of the United States right in the middle of the conflict. The true Muslims of Iraq, that is faithful to the Koran, look at the United States as enemies of their heritage, religion, and country. The United States being a strong supporter and friend of Israel causes us to be hated all the more by the Muslim world, including the Palestinian people and other Muslim religious factions.*

*The God of the Holy Bible, Jehovah, that has made himself manifest by his introduction into this world through the virgin-born Jesus Christ, sovereignly "rules and reigns among the armies of heaven (angelic host) and among the inhabitants of the earth" and no man can question his divine authority and decreed purposes (Daniel 4:35). The God of the Holy Bible raises Kings to their lofty thrones and removes them as he pleases. He steers the paths of mighty rivers and holds the earth in its orbit and has named the stars among his heavenly creation (Psalm 147:4).*

*God in his divine, sovereign purpose can cause the Islamic nations to terrorize the United States or destroy us from inside its borders if He so desires.*

*Optimistically thinking that peace will ever occur in Iraq, Iran, and Israel is a matter of ignorance of Biblical promises prophesied by God. The war that the United States has engaged in Iraq is not a war rooted from "weapons of mass destruction", nor petroleum interest, it is a far deeper rooted spiritual issue that God Almighty had determined aforetime in his divine providence. The nation of the United States has departed from its devotion and allegiance to the God of the Bible upon which this great country was founded upon. We, even as early Israel, shall suffer God's judgment for our rebellion and godless society.*

*Jesus Christ, God of the Bible incarnate came and promised a peace to them that believe upon Him that the world knows nothing about. There shall never be peace in this earthly realm as long as human creatures inhabit this sin cursed earth. Never be deceived nor hoodwinked into thinking that the Muslim wants peace with the American way of life.*

*For even the Koran teaches that those Muslims that live among the infidels are in danger of being influenced by their non-Islamic devotion and lifestyle. We as Americans are hated because our materialism and prosperity is in opposition to the legalistic and stringent Laws of Islam, the perfect example of religion and state joined together forcing a society into religious duty and obligation.*

*We are living in very perilous times with wars and rumors of wars of great magnitude. Peace, peace many cry, but it shall never be in this life by the efforts and pleasure of man.*

*We (the United States) have entered into a SPIRITUAL WAR that shall not be resolved by the weapons of nations. We are being chastened (in my humble opinion) by the God of heaven for attempting to “police” the world into our ideology and Iraq is PROVING you cannot force a nation of people that have been acclimated by religious teachings for hundreds of years to become a democracy of people without the eternal God of heaven bringing a people from their captivity of religion and setting them free by the illumination of truth and liberty found ONLY through a personal relationship in the person and Lordship of our Lord Jesus Christ of the Holy scriptures. “For if Christ shall make you FREE, ye shall be FREE indeed” (John 8:36).*

*Jesus Christ said, “I am the way, the truth, and the life, no man come to the Father, but by me” (John 14:6). “he that believeth on the Son hath life, and he that believeth not upon the Son hath NOT life, but the wrath of God abide upon him already.” Do you believe in Christ? Do you believe HE alone is the way of eternal life and the forgiveness of sin?*

*The future of the United States and the nations of the earth is in the sovereign hand of the ALMIGHTY that inhabits heavens glorious throne. May HIS mercy be extended to us as a people, and cause us to fall prostrate upon our faces in humble repentance for our rejection of esteeming HIM as our God and King as a nation.*

*What God has determined by his predestined purposes shall come to pass and NO nation nor man shall alter his divine decrees. His will is being manifested in every snow flake that falls and every cloud that drifts across the sky. For as one early Puritan writer had written, “for the dust that flies upward from a buggies wheel has been ordained by the sovereign almighty God of the Holy Writ.”*

*May God bless those in high places of government authority, to guide them with divine wisdom in their duties as our nation's leaders. The Bible admonishes us to "Pray for them in authority", for God has ordained them to their positions (Romans 13:1).*

*How far has our government departed from the principals of that of our forefathers, which honored and held sacred the Holy Bible as the emblem of our Christian heritage and foundation of our constitution?*

*As you read this article, Mr. Keith Ellison, a professing Muslim has been nominated for a proposed position in the Congress of the United States, and has requested that if his nomination is accepted that he shall be "sworn into office" by the laying hands upon the Koran in lieu of the Holy Bible that has been the symbol of the Deity of our governments trust (even though most in this time in history in the government do not support nor stand for Biblical principles).*

*Footnotes from the Koran: Regarding the teachings against Israel and the Christian.*

*Chapter five; 5.51, O you who believe! DO NOT take the Jews and the Christians for friends; they are friends of each other; and whosoever amongst you takes them for a friend, then surely, he is one of them; surely Allah does not guide the unjust people.*

*Chapter nine; 9.29, FIGHT those who do not believe in Allah.*

*9.30, And the Jews say, Uzair is the son of Allah, and the Christians say; The messiah is the son of Allah; these are the words of their mouths; they imitate the sayings of those that disbelieved before; May Allah destroy them, how they are turned away.*

*9.123, O you who believe! FIGHT those of the unbelievers who are near you and let them find in you hardness; and know that Allah is with those that guard (against evil).*

*Additional Koran references regarding Jews and Christians being "unbelieving Infidels" enemies of Islam and to be non-friends and killed:*

*Koran references:*

*2:191 "slay unbelievers"*

*3:28 "have no friends with infidel unbelievers"*

*3:85 "Islam only true religion"*

*5:33 "maim and crucify those opposed to Islam"*

*8:12 "Behead those unbelieving infidels"*

*8:60 "use weapons against infidel unbelievers"*

*8:65 "Unbelievers are stupid, fight against them"*

9:5 “kill infidels”  
9:28 “Infidels are unclean”  
22:19 “melt the skin of the infidels”  
47:4 “No peace with infidels and unbelievers, kill”

“One nation under God”.....which God?

*The God of the Holy Bible or the god of Islam?*

Foot Note: *Islam was founded by Mohammad in 610 AD, when at the age of 40, he received spiritual revelation(s) supposedly of which he compiled as the Book of Koran. Islam makes up 1.57 billion= 23% of the world's population and is the fastest growing religion in the world.*

*The greatest demise of historical Israel was the infiltration of pagan nations that brought the influence of “their” gods within the nation of Israel.*

*The United States of America has opened the door to these of the Islamic belief into the Armed Forces of our Military. How can the high-ranking personnel of our military forces and Secretary of Defense allow such enemies of the historic principles of this great country be undermined by such foreign religious radicals, and to think they can be faithful to “their religion” and strive for peace in this country and among it Military Forces? The true Islamic believer MUST look upon the United States as enemies to their cause, and to be true to their holy book, the Koran, they must see us as “Infidels and unbelievers”. Was not the terrorist event at Fort Hood, Texas proof of the orthodox extreme mindset of the Islamic believer? The majority of the population of the United States is “hoodwinked” into believing that Islam is a “peaceful” religion among unbelievers, this can be no further from the truth: For orthodox Islam (as referenced earlier) counts the “non-Islamic” world as “infidels” and those who refuse to adhere to the Muslim belief shall die by the sword.*
